

# PRIMARY 1

# WEE WEEKLY SHEET

Rhu Primary  
School

W.B. 29<sup>TH</sup> NOVEMBER, 2022

Welcome back,

We have had a wonderful time reading the story of Jack and the Beanstalk. We have explored measuring length and height through using non-standard units. We used little blocks to measure our shoes and compare them to the size of the giant's footprint we then started to use different sized bricks to measure our heights. My numeracy top tip this week is to explore measuring length and height at home. You could use paper clips to measure the length of sofa or compare the height of the trees you see out and about.

Next week we will be saying farewell to Bramble Berry as we start our new topic of transport. Starting with Mr Gumpy's Motor Car.

We are continuing to practise our Nativity and the Primary 1, 2 and 3 children have been working really hard to learn their parts. The Nativity performance is a new experience for lots of our children and we will be doing many small rehearsals to build their confidence.

Have a wonderful weekend!  
Thanks,

Mrs. Murdoch

## Nativity

Rhu Primary School are proud and excited to announce the P1, P2 and P3 Nativity It's a Party!

Thursday 15<sup>th</sup> December @ 1:30

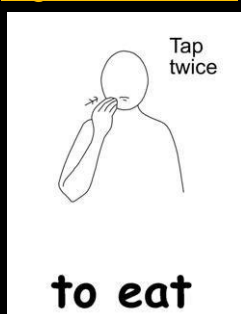

Friday 16<sup>th</sup> December @ 1:30
